In view of the many factors that may effect processing and application of our products, these data do not relieve processor from carrying out own investigations and tests neither do these data imply any guarantee for certain properties nor the suitability of the product for a specific purpose. It is the responsibility of the recipient of our products to ensure that any proprietary rights and existing laws and legislation are observed.

The information provided in this statement is based on our current knowledge and experience, and on the state of the REACH regulation on the date of issue. New certificates are published in the internet portal in case of alterations; the former certificates automatically become void. Therefore, we urgently ask you in your own interest to regularly check the confirmations issued in the internet portal with respect to modifications or changes. It is the responsibility of those to whom we supply our products to ensure that any proprietary rights and existing laws and legislation are observed.

This product information was generated electronically and is valid without signature.
